HOW WE USE THE INFORMATION WE COLLECT

We use personal information primarily for the purpose for which it was collected. Because most of our information is collected from you directly, you will normally be aware of the purpose of the collection. For example, information may be collected from you so that we can fulfil prizes, offer discounts and process online transactions.

In relation to our loyalty program, information we collect may be used to invite loyalty program members to special screenings and events as well as to make special ticket and promotional offers.

HOW WE PROTECT OUR INFORMATION COLLECTION

We will take all reasonable steps to ensure the security of all personal information we collect. This involves protecting it from misuse and loss, as well as from modification and disclosure.

The inherent nature of the Internet means that the security of any transmission of information to us using the Internet cannot be guaranteed.

The electronic databases that hold information as well as our internal systems are designed to restrict access to only those people who require specific information.

In addition, your personal information is only kept while it is required for the purpose for which it was collected or for a permitted secondary purpose. Reading regularly deletes and de-identifies personal information if we no longer need the information.
